

# OUR 10<sup>th</sup> ANNIVERSARY CELEBRATION

## GENERAL MEETING

Friday 18<sup>th</sup> May 2012.

The Combined Probus Club of Wheelers Hill Inc. celebrated its 10<sup>th</sup> Anniversary at its monthly meeting on the 18<sup>th</sup> May 2012. Our Special Guest was Robert Renshaw from Probus District Committee. Club President, Pam Cotton, conducted a shortened normal meeting before moving to the celebratory part of the morning. The past Presidents of the Club (other than our founding President, Robert Leane, who unfortunately could not be with us) were presented to the assembled members and each made a short speech recollecting memorable moments of their time in office. Pam then officially cut the beautiful Anniversary Cake to our singing of 'Happy Birthday' and we all enjoyed our morning tea before watching a fantastic compilation video of the first 10 years of our Club, brilliantly produced by Alan Taylor. At the conclusion of the meeting Robert Renshaw congratulated our Club for its achievement and presented a 10<sup>th</sup> Anniversary Certificate to Pam, to the acclamation of our members. Congratulations!
