FISHING TRIP WITH TIDEMASTER, Wednesday 25th February, 2009

14 members & 1 guest turned up at Tooradin at 7 am to start our days fishing. Breakfast was served at about 8.30am – a bacon & egg sandwich with coffee & then on to the serious fishing!! Lunch was BBQ steak, sausage & coleslaw sandwich & coffee, then back to serious fishing again. The day was forecast to be perfect but finished up as calm seas, overcast & a little cold. Between 15 professional fishermen/ladies we caught 6 fish – 2 whiting, 2 flatties & 2 trevally. We also caught several undersized fish which had to be kissed & thrown back as were the 3 banjo sharks. All in all we had an enjoyable day out. Thanks Bill Dair for organizing the car pooling from Wheelers Hill.
