Members of the Walking group after our breakfast

On Thursday 11th of December, 21 members of the walking group attended the annual Christmas breakfast at Madelines café in Jells Park. The food was excellent and the conversation lively. A very enjoyable time was had by all and many still managed a walk afterwards despite the huge breakfast. Many thanks to John Vickers (and helpers) for organising the breakfast and the Thursday morning walks throughout the year. Merry Christmas to all.
