

# Barefoot Bowls Night

February 2019

On Friday the 1<sup>st</sup> of February at 5.30 PM, 21 players met at the Mount Waverley Bowls Club for the annual Wheelers Hill Probus Barefoot Bowls night. It was a lovely setting and a beautiful balmy evening with lots of sunshine. We all enjoyed the pre-bowl drinks, the bare foot bowling and the delicious barbeque dinner that followed. It was my first time to this event and I want to thank those more experienced bowlers among our group for their assistance and encouragement. Many thanks to Barry and his volunteers from Mt Waverley bowls club, David Cotton for organising the night. A great night.
