

Cobram Barooga Golf Trip (October 2019)

(Comments Kerry Fraser and Photos Klem Duriska)

With promise of good weather the golf trip to Cobram / Barooga took place during October with 6 couples each with 1 male golfer and 1 female shopper.

A lot of money has been sunk into the Rivergums Motel which made our stay all the more enjoyable. As promised the weather was nothing short of sensational for golfers, shoppers and our happy hours.

The golf course as always was challenging although the evidence of drought in the area was obvious with firm fairways and concrete like rough. The greens were true, but with no such thing as a giveme.

The last day was our usual Ambrose challenge and this was won by the team of Lynn Carter, John Randall and Klem Duriska. Well done boys.

Good golfing all.
