The Combined Probus Club of Wheelers Hill has a Dine Out monthly on the Tuesday after the General Meeting.

Since the Covid lockdowns we've mainly gone to Pubs and Clubs where we can pay on the night, due to the uncertainty of "booking ahead " and risking a cancellation. But we're confident now to use a la carte venues from time to time, all within the general district of Monash and surrounding suburbs. We have some old favourites, but suggestions for new venues are always welcome.

Some daytime venues (around midday) have been arranged, especially in the winter. Currently we're starting our evening events at 6pm (rather than 7pm) by popular demand and will review this decision in line with feedback we may receive.
