The annual combined Walking and Happy Hour evening was held at Jells Park on 14th of January 2021. This was the first opportunity for the Happy Hour group to meet since the start of the COVID-19 restrictions. It was a lovely warm evening as 22 members gathered in the covered shelter. Several members went for a short walk around the lake and then joined the others in the usual nibbles, drinks and frivolity. The Happy Hour activity leader Doug Lawrence thanked everybody for attending and indicated that the happy hour group would continue to meet outside at Jells Park next month.
