

Howlong Golf trip

March 2021

(Photos and Comments courtesy Kerry Fraser)

The main ingredient for a golfing holiday is good weather and mother nature did not let us down again this trip. Perfect sunny autumn days and clear cool nights. Perfect.

The Howlong Golf Resort as always was in ideal condition. Manicured would best describe it. Lush fairways, tantalizing greens and challenging bunkers bringing out the best from our 12 golfers.

This time, for the first time, lady golfers (7) outnumbered the men (5) and did themselves proud. Two days of competition saw Ann Kay and Robin Bray winning the individual stableford event and the team of Warren and Suzanne Gribble, Julie Kent and Pat Adams secured the Ambrose event.

Our Covid Safe daily Happy Hours were exactly that, with the non-golfers and the players mingling and discussing the day's events, prior to dining at the bistro.

This I believe was the 12th year in row at Howlong and everyone is looking forward to returning again next year in early April.

Cheers and good golfing
