The Golfers, In Readiness for the Ambrose Competition

Our annual trip to Howlong was once again a great success with 23 of us making the trip right on the end of daylight saving. We would have had 3 more but Covid upset the applecart as it has for the past 2 years.

As always, all the ingredients were in place, great accommodation, friendly resort, pristine golf course and perfect weather for golf and socializing.

As it eventuated with the golf most of the players walked away with some prize but the major winner on the Tuesday was Lynn Carter who won the Stableford competition. Then on the Wednesday the major team prize and only by the slenderness of margins, the winners of the Ambrose competition were Warren Gribble as a captain with support from his team of Lorna Bridgland, Klem Duriska and yours truly. A big thanks to all those who provided prizes to the lucky winners.

The other highlight for the trip was our guest and ex Probus member Julie Kent who turned 80 which we celebrated with the appropriate birthday cake.

Looking forward to the next one.

Cheers for now

Kerry Fraser
