Our May 2023 General Meeting began with a very special presentation to Iris Wynter, celebrating her 100<sup>th</sup> Birthday (12<sup>th</sup> May 2023)

Our President, Rhonda Murphy, presented Iris with the club's first Life Membership Certificate & Jenny Wilshier, our Welfare Officer, presented her with flowers and a card signed by the members.

Iris has seen many changes to our world. Her friendship along with her zest for life, has been inspirational for all our members. Iris is a founding member of the club in 2002 & is still living at home.

During her time with the club, Iris has been & still is involved in many of the club's activities, including walking, gardening, happy hours, outings & many other activities.

Members enjoyed a special celebratory birthday cake at morning tea & Iris was overwhelmed, but really appreciated the celebrations.
