

Probus Victoria Friendly Golf Day

16 November 2015

Report text prepared by Kerry Fraser, Photos Ray Binks

As the sun rose on what promised to be a beautiful Melbourne morning 108 fanatical Probian golfers made their way from all corners of Victoria to the Waverley Private Golf Club to contest the 7th annual Probus Friendly Golf day.

Waverley the home of the Junior Masters where the likes of Jason Day and Adam Scott have strode the fairways presented itself magnificently for our budding senior Probus champions.

A full field played and unfortunately some others missed out. The event this year was Ambrose and the team competition was fierce.

Mitcham / Nunawading team won the major prize and get to hold the PAV trophy for a year. Plenty Combined "Falcons" team were the runners up, just one stroke behind. Players for Bentleigh, Plenty Combined, Pinewood, St Helena and Syndal teams won prizes for Men's & Ladies Nearest the Pins and Longest Drives.

Sponsor support was outstanding which provided quality prizes for all the winners.

Golf was followed by a scrumptious lunch and presentation with 130 attendees.

Whealers Hill President, Mr John Shrives thanked PAV for the opportunity to host the event and for the support shown by the other Probus Clubs. Special thanks was bestowed upon the Wheelers Hill volunteers and a genuine thank you to Waverley Golf Club for all their support in making the day successful.

PAV President Les Barber spoke and presented prizes to the winners and commented as to how pleasing it was to see so many Probus Clubs involved in the day's proceedings.

He thanked The Combined Probus Club of Wheelers Hill for hosting the event and all those involved that made the day so successful.

A very satisfied and tired bunch of Probians tracked back to their homes dreaming of what could have been, if I had only sunk that putt .Well there is always next year.

PAV President Les Barber thanking Wheelers Hill for hosting the Golf day.

Whealers Hill President Mr John Shives thanking the participants and volunteers
