December 2022 at Jells Park

Twenty Walking group members met at Madeline's café in Jells Park for annual Christmas breakfast on Thursday 8th of December 2022. This year we chose our meals from the normal menu rather than the usual set menu. Everybody enjoyed their breakfast and we were all very pleasantly surprised by the exceptional quality of the food provided.

Unfortunately, we had to abandon the planned short walk after breakfast due to the unpredictable showers.
