# Combined Probus Club of Wheelers Hill Christmas Lunch,

## 21st December 2018

***Photographs by Keith Wilshier and commentary by Ray Binks from notes provided by Jenny Wilshier***

*The Christmas luncheon was held at the Waverley Golf Club, Bergins road, Rowville, for the 7th consecutive year. 116 members and guests were warmly welcomed by the committee and club staff as they gathered in the foyer area for a pre-lunch drink and chat.*

*At around 1230, our president Tricia Russell called for everybody to be seated and began proceedings by welcoming all members and thanking her committee for their efforts over the year. She also thanked John Hall for organising the luncheon in conjunction with Tamara from the Waverley Golf Club, Robin Bray for organising the attendance and table lists and Margaret Lawrence for purchasing the table prizes. She welcomed our talented entertainer Joe D'Rozario and wished Nick Carter a happy birthday.*

*As members enjoyed their lunch they were entertained by Joe as he sang and played many sets of modern and Christmas music.*

*The trivia quiz was won by Table 1 (Alan & Betty Clarke, Jim & Jackie Olarenshaw, Sid & Margaret Rich, Tricia & Terry Russell, Alan & Pat Taylor).*

*It wasn't long before Charles Gorman, Nick Carter and others joined in to sing while many others were up showing their dancing style and enjoying the afternoon. There were lots of laughs and frivolity and of course the Conga Line was soon threading its way around the tables.*

*The table prizes (a beautiful orchid) were won by Terry Russell, Iris Wynter, Heather Stonehewer, Margaret Vickers, Doug Fischer, Virginia Verrelli, Margaret Boyd, Freda Butler, Gabrielle Fraser, Jenny Major, Margaret Lawrence and Ros White.*

*At the conclusion of the day, Tricia wished all members a very Merry Christmas also thanked the staff at Waverley Golf Club.*

*I would like to thank Keith Wilshier for his excellent efforts with the camera and Jenny Wilshier for noting down all the keys facts. Hopefully I have been able to translate them accurately.*
