What a wonderful display.

With so many of our members away on a cruise, Christine and Trevor Richards were expecting a very quiet night for the Happy Hour they were hosting at their home on the 24th of November. But the word had spread. The night was a great social event with 20 or so very happy members attending. Always a great get together and this time with the added bonus of their beautiful garden. Eventually Doug Lawrence wound up the evening by thanking Christine and Trevor for their hospitality.
