

# Howlong Golf Trip

29<sup>th</sup> April to 1<sup>st</sup> May 2019

*(Comments courtesy Kerry Fraser, photos courtesy Robin Bray and Ian Andrews)*

The Wheelers Hill Combined Probus Golfing Group returned to the Howlong Golf Club Resort on the Murray River border golf course for their annual challenge.

This year there were 31 attendees, which included 18 golfers, being 12 men and 6 ladies. Although it was slightly later than previous years the weather stood up to its reputation with mainly sunny, but cool days. Even a little rain on the last golfing morning could not spoil a great time had by all.

The non-competitive golfers took advantage of the many offerings in this part of the world with shopping visits to Albury, visits to historic local towns, wine tasting at famous vineyards and naturally fishing in the magnificent Murray River.

The Howlong Golf Course was in superb condition and proved challenging over the 3 days of golf. The final day was the Teams Competition Ambrose Event which again went down to the wire with some very good scores recorded. The winning team this year was Lorna Bridgland, Peter Dolinsky, Klem Diriska and Colin Lourie.

A highlight each night was our happy hour with many stories from all quarters as to what they had experienced during the day. Tuesday's barbeque lunch as always was a success.

This was Barb and John Randall's farewell as co-ordinators of this event which also was handled with great aplume. After 8 years they can now relax and enjoy the event without concern. Congratulations and thanks to you both.
